There is perhaps no point in a man's appearance that conveys as distinct an impression of his individual taste and refinement as his shoes. There is no individual feature so easily improved by its covering as a foot that has been properly cared for, provided the covering is scientifically and artistically made. Cooke's shoes are made on these lines.

The ladies of Sec. 1, A to C, of the Methodist church, who promised articles for the bazaar, please have them ready by Tuesday morning, as they will be called for. 2t

Blending coffee is a difficult art, and is more readily understood when it is known that there are but few large roasting plants in the United States. The National Coffee Company have mastered this difficult art, and the famous "Alamo" takes the lead as "King of Mocha and Java." This coffee is a perfect dream to the taste and a genuine panacea for the nervous system. Hooker sells it. Phone 53.

Mrs. A. R. Howard,
President Benedette Tobin Chapter, U. D. C.,

Dear Mrs. Howard:—The delightful sunshine box sent to us by you for the ladies of your chapter, made a very delightful part of the bounteous Thanksgiving dinner which was enjoyed by the men yesterday. I beg to return herewith my thanks for the repeated kindnesses and generosity of your chapter and express to you the gratitude of the old veterans of the Home.

We had a glorious feast, and in the afternoon the Daughters of Austin gave the old men a delightful concert. Altogether it was a glorious day.

Faithfully yours,

How Old Is Mamma?

Jimmie was given a birthday party. The three ages of Jimmie, mamma and papa, amount to just 70 years. Papa is just six times as old as Jimmie. When papa is just twice as old as Jimmie the combined ages of the three will be just twice 70. Now, can you tell how old is mamma?

Just figure it out. It's easy. But it is much easier to figure out why you should buy your groceries of Temple, the grocer. Better see Temple about it.

But first, how old is mamma? When you drink coffee get the best thing, Phone Hooker's for Alamo—"Alamo is King."

Saturday night the residence of Bud Munsen, a negro resident, out on Lacy street, was totally destroyed by fire. The house was a small one, and being some distance from the fire station, it almost burned down before the fire company arrived on the scene, though the company made a quick response and did good work in saving other property adjoining. The water pressure was reported good.
